

Whilst we travel to you on the day the trials are held in home salons in Earlwood. The two salons are conveniently located a few streets from each other so should you need hair and makeup you would not be inconvenienced.

Bella Diva only works via appointment so please contact us should you need to re-schedule or are running late. Please come with no makeup and it always helps if you can bring some pictures of makeup you like or have an idea of what you're after. Your hair should be washed the day before and have no products in it. Bridal magazines and celebrity mags have a great selection of different make up & hair styles.

Unfortunately we don't have eftpos so please bring cash with you. Should you decide to book a deposit is also \$100.00 per service.

Please fill out the below details and email back ASAP. We will then confirm with email and provide address and map details.

Thanking you in advance,

The Team at Bella Diva
